Publications

Service No.	Publication Title	Price per unit
1	The Construction Regulations, 2014- A legal and Practical Explanation Author: Johan Louw This book is aimed at assisting industry, and more so, the Construction industry, with interpreting the Construction Regulations, 2014, correctly, as well as applying the intention of the legislature, where necessary. It is also pointed out in this book, which aspects in these Regulations, should be applied in cases where the work to be performed, is not construction-related work per se.	R 315
2	Occupational Health & Safety Act, no 85 of 1993, and Regulations	R 265

- Prices do not reflect postage - will consult with client per order.
